

Dust My Broom

INTRO 12 BARS

I'm gonna get up in the morning
I believe I'll dust my broom
I'm gonna get up in the morning
I believe I'll dust my broom
I'll quit the best gal I been loving,
now my friends can get my room

I'm gonna write a letter to China
See if my baby's over there.
I'm gonna write a letter to China
See if my baby's over there.
If she ain't up in the Hawaiian Islands,
Must be in Ethiopia somewhere

SOLOS

I don't want no woman
Who wants every downtown man she meets
I don't want no woman
Who wants every downtown man she meets
Man that no good darlin'
They shouldn't let her on the streets, yeah

I believe believe my time alone
Yes, I believe believe my time alone
I've had to quit my baby... STOP
and give up my happy home <BLUES END>
