```

Well, baby used to stay out all night long  
 She made me cry, she done me wrong  
 She hurt my eyes open, that's no lie  
 Tables have turned, now it's her turn to cry

**Because I used to love her, but it's all over now**  
**Because I used to love her, but it's all over now**

She used to run around with every man in town  
 She spent all my money, playing her high-priced games  
 She put me out, it was a pity how I cried  
 The tables have turned, now it's her turn to cry

**Because I used to love her, but it's all over now**  
**Because I used to love her, but it's all over now**

\* Solo (12-bar blues progression: A - D - E) \*

Well, I used to wake in the morning, get my breakfast in bed  
 When I'd gotten worried she'd ease my aching head  
 Now she's here and there, with every man in town  
 Still trying to take me for that same old clown

**\* CHORUS 2 X**

\* Chorus – instrumental – with short solos –each instrument
